1. INTRODUCTION

- 1.1 The Board of Control for Cricket in India ("BCCI") is a society registered under The Tamil Nadu Societies Registration Act 1975 and has its head office at Cricket Centre, Wankhede Stadium, Mumbai 400 20, India. A separate Sub Committee unit of BCCI has been set up known as Indian Premier League ("IPL") to establish and oversee the operation of a domestic Twenty20 cricket competition in India and, if appropriate (see below), elsewhere in the world (the "League"). IPL is not a separate legal entity but forms part of BCCI and is managed by a separate Governing Council which reports to BCCI. This document constitutes an invitation to tender to any person who wishes to own and operate a Team. In this document a "Team" shall mean a team which participates in the League, "Franchise" shall mean the business of the operation of the Team and "Franchisee" shall mean the person who has been awarded the right to operate a Franchise as a result of having made a successful Bid.
- 1.2 The League will initially comprise eight teams which will play each other (both home and away) during the course of each season culminating in two semi-final matches involving the four best placed teams with the winners of such semi-finals then playing in a grand final (such matches being together the "Play-Off Matches"). The number of teams in the League may increase or decrease as described below. An example of how the League's Matches may be co-ordinated is set out in Schedule 5 (although this League Match schedule is indicative only and is not final). It is the intention that the Franchisee whose successful Bid includes the second highest overall Franchise Fee (as defined below) shall be entitled to host the first Match in 2008. Each Team will be selected from a squad of no less than 16 players and further details relating to the requirements for each such squad are set out below.
- 1.3 The Season will, in respect of the League, last approximately six weeks during April and May in each year (although the period during which each Season takes place may be subject to change). The detailed rules relating to the regulation of Matches will be published shortly. In any year when a Champions Tournament (as defined below) is organised (which is not guaranteed to occur in any year) then the winner and runner up of the League in such year shall be entitled to participate but no rights to be granted to Franchisees as contemplated by this ITT relate to the Champions Tournament.
- 1.4 Whilst no more than one Franchise will be awarded per Bidder, Bidders may Bid for a Franchise in up to eight locations as contemplated by Section 9 below.
- 1.5 IPL requires Bidders to be available in Mumbai on Friday 18th and Saturday 19th January 2008 for the purposes of the award of Franchises. After the award of the Franchises the Franchisees will, on a date to be announced in due course, then be invited to take part in an auction for the various players who are available for the Teams as summarised in Section 10 below.
- 1.6 The words and expressions defined in Schedule 1 shall have the meaning set out in this ITT unless the context requires otherwise.

2. INVITATION TO TENDER

2.1 Invitation

IPL hereby invites tenders from reputed third parties to acquire the right and obligation to operate a Team in the manner described in this ITT.

2.2 Bid Objectives

To assist Bidders in understanding IPL's requirements, each Bid must be aimed at, amongst the other aims set out in this ITT, assisting IPL to seek to achieve the following (non-exhaustive and non-prioritised) objectives:

- (a) ensuring the widest coverage and the widest possible audience for the League;
- (b) assisting to develop the game of cricket in India;
- (c) maximizing and enhancing exposure wherever possible for each of the official sponsors of the League;
- (d) increasing and enhancing exposure for cricket in India both within India and the rest of the world; and
- (e) maximising the generation of revenue in respect of the League

and in submitting their Bids, Bidders should demonstrate how they will be able to assist IPL in seeking to achieve the above stated objectives.

2.3 Eligibility to Bid

For the purpose of this ITT, any entities anywhere in the world (which expression includes, as regards corporate entities, the Bidder and/or its parent or subsidiary company), which satisfy the following requirements as at the date of this ITT (or such other specific date as is specified in this ITT in relation to any individual criteria) are eligible to participate in this tender process and to submit Bids (although the attention of Bidders is drawn to the fact that all Franchises will, for at least the first three years, be located in India):

2.3.1 Fit and proper person

Each Bidder must be a fit and proper person and BCCI reserves the right to reject any Bid from any Bidder which BCCI does not believe satisfies this criteria.

2.3.2 Consortia and Joint Bids

- (a) Consortia, joint ventures (whether incorporated or unincorporated) or joint bidders (each a "Consortium") may submit a Bid ("Consortium Bid(s)"), provided that:
 - i) the members of the Consortium collectively satisfy the criteria for Bidders set out in this ITT and the Eligibility Letter;

- ii) each member of the Consortium is jointly and severally liable for the acts of each other member in relation to its Consortium Bid(s); and
 - iii) the Consortium fully describes the relevant terms of its Consortium arrangement in its Consortium Bid.
- (b) Each member of any Consortium may also submit a separate Bid on its own behalf. For the avoidance of doubt, IPL reserves the right, if it determines it appropriate in the circumstances, to enter into direct arrangements with individual members of any Consortium.
- (c) If a Bidder has entered into an agreement for a joint venture (whether incorporated or yet to be incorporated), which shall operate the Franchise or otherwise be entitled to all or part of the Franchisee Rights (as defined in Section 3.3(b)) whether as a licensee, marketing agency or in any other capacity, the Bidder is required to disclose in the Bid all material details of the joint venture agreement.

2.3.3 Guarantees

Depending upon the financial standing of any Bidder, IPL reserves the right for a parent company or other such company of satisfactory financial standing to guarantee the obligations of the Franchisee pursuant to the Franchise Agreement (as defined below). In the case of a Consortium Bid, each member of the Consortium will be obliged to guarantee the obligations of the Franchisee in the Franchise Agreement. **The failure to supply such a guarantee could result in the Franchise Agreement being terminated.**

2.3.4. Bid Rejection

Any Bid submitted by an entity which fails to satisfy the eligibility requirements set out in this ITT may be accepted or rejected by IPL in its absolute discretion. IPL shall not pre-judge or advise a Bidder whether it is qualified or not. The Bidder must submit its Bid in accordance with the process specified in this ITT and enable IPL to then evaluate its Bid.

Potential bidders should also be aware that any Bid submitted by any person that is currently in default of any contractual obligation or undertaking owed to the BCCI (including, without limitation, any payment obligation) or which is otherwise connected with any person (including by way of being a subsidiary undertaking or a parent company or part of a group of companies under common ownership and/or control) that is currently in default of any contractual obligation or undertaking owed to the BCCI (including, without limitation, any payment obligation) may be rejected by IPL in its absolute discretion notwithstanding that such person otherwise fulfils the eligibility criteria set out in this ITT.

3. FRANCHISE RIGHTS/OBLIGATIONS

3.1 Overview

This ITT constitutes an invitation to persons to tender for the right and obligation to establish and operate one (and one only) of the Teams during the Term (as defined below). Each Team shall be operated in accordance with the Franchise Agreement to be entered into by IPL and each Franchisee as described below together with the Regulations (as defined below). Franchisees will have the right to receive certain revenues relating to the League and their respective Teams as detailed below.

3.2 The Franchise

Each Franchisee will have the right and obligation to establish and operate one Team which will form part of and take part in the League. Franchisees shall, subject to the ongoing requirement to comply with both the Franchise Agreement and the Regulations at all times, be entitled to operate their Franchise at their discretion including the development of local commercial arrangements with sponsors and suppliers (as summarised in Section 3.3 (b) below) although the attention of Bidders is drawn to the fact that the arrangements relating to certain League rights are to be exploited centrally by IPL as set out in Section 3.3 below.

3.3 Central Rights/Franchisee Rights

Certain of the rights relating to the League shall be exploited by IPL with the revenue therefrom to be divided in the manner set out in Section 3.4. Franchisees shall be entitled to exploit the other rights relating to their respective Teams as summarised below.

- (a) IPL shall have the exclusive right to enter into arrangements for the exploitation of those rights relating to the League and the Teams which are set out below (together the "Central Rights") with the income from the exploitation of such rights being shared with Franchisees in the manner set out in Section 3.4 below:
 - (i) "Media Rights" shall mean the right to broadcast or otherwise distribute audio-visual, visual and audio coverage of any League Match (whether on a live or delayed basis and whether of all or any part of such match) by any and all means now known or hereafter developed including but not limited to all forms of television, home video and DVD, theatric and non-theatric rights, in-flight, ship-at-sea, distribution to all forms of mobile devices and via the internet and whether scheduled or on demand and in whatever format (whether linear, interactive, free to air, pay or otherwise);
 - (ii) "Title Sponsorship Rights" shall mean the right to be the title sponsor of the League;
 - (iii) "Umpire Sponsorship Rights" shall mean the right to be appointed as the official sponsor of the umpires and other match officials at League Matches;

- (iv) "Stadium Advertising Rights" shall mean the right to have any advertising or other branding featured within any stadium at which a League Match takes place subject to the rights reserved for Franchisees referred to below;
- (v) "Official Sponsor Rights" shall mean the right to be appointed an official sponsor to the League in up to a maximum of six product/service categories;
- (vi) "Games Rights" shall mean all rights of any kind whatsoever in relation to any toy or game of any kind which is based on or about the League and/or the Teams (including without limitation any electronic game which may be played on any television, computer, mobile phone or other handheld device of any kind);

If and to the extent that additional rights relating to the League become available for commercialisation which IPL believes should be exploited on a centralised basis then such rights shall be deemed to be Central Rights.

- (b) All commercial rights (other than the Central Rights and in respect of the Licensing Programme (the latter being summarised in Section 3.5 below)) relating to the Franchise and the relevant Team (being "Franchisee Rights") shall, subject as provided in Section 4.1 (b) and generally to the provisions of the Franchise Agreement, be available for exploitation by Franchisees including:
 - (i) shirt sponsorship arrangements;
 - (ii) Team/Franchise naming rights arrangements;
 - (iii) other arrangements with local sponsors;
 - (iv) gate receipts;
 - (v) corporate entertainment and premium seating programmes;
 - (vi) local suppliership arrangements

and the Franchisee shall have the right to the use of twelve advertising boards at its home League Matches (IPL having rights in respect of the remaining 60 boards) in connection with the exploitation of the Franchisee Rights subject to a maximum of six such boards being granted to any one person (or three such boards where there is a conflict with any person who has been granted any of the Central Rights).

3.4 Rights Income

The income from the exploitation of the Central Rights and the Franchisee Rights shall be apportioned as follows:

- (a) The income from the exploitation of the Central Rights in respect of each year shall, after the deduction of certain central expenses relating to the League (see below), be divided between Franchisees in such year in the following manner:

(i) **Central Rights Income from the sale of the Media Rights**

Year	Franchisees' Share (%)	IPL Share (%)	Prize Money (%)
2008	64	20	16
2009	64	20	16
2010	56	30	14
2011	56	30	14
2012-2017	48	40	12
2018 onwards	40	50	10

(ii) **Other Central Rights Income**

Year	Franchisees' Share (%)	IPL Share (%)	Prize Money (%)
2008-17 (inclusive)	48	40	12
2018 onwards	40	50	10

The above-mentioned Franchisees' share of the Central Rights Income shall be divided equally between the number of Franchisees in each such year. The Prize Money in each year shall be distributed between all Teams based on their respective performance in the Season and as otherwise laid down in the Operational Rules.

- (b) The Central Rights Income to be divided between the Franchisees and IPL in each year shall be net of the League Expenses (such expenses to be allocated wherever possible to the income to which they relate and, if not so possible, to be allocated equally between all the Media Rights and other Central Rights). IPL shall seek to ensure that all such expenses are kept to a reasonable level and shall be itemised, audited and made available to Franchisees.
- (c) Each Franchisee shall subject as contemplated in Section 4.1(b) be entitled to retain 100% of the income from the exploitation of its Franchisee Rights including the right to retain all gate receipts from the Franchisee's home League Matches (which will be managed centrally as described in Section 3.11 below) save that it is acknowledged that up to 20% of the aggregate value of the tickets in respect of such matches shall be provided to IPL free of charge (the type of such tickets to be decided at IPL's discretion) to meet the host cricket associations commitment to members and other organisations.
- (d) Each Franchisee shall be responsible for all costs relating to the operation of its Franchisee including without limitation the fees and salaries of all persons providing services for its Team, all costs of staging each home League Match (such as the cost of the hire of the relevant stadium, all security and other staff costs at the stadium).
- (e) The Franchisees' share of the Central Rights Income (as set out in paragraph (a) above) is higher in the earlier years to recognise that it may take some time for Franchisees to develop the income from the exploitation of their own Franchisee Rights. It is not IPL's intention for the share of the Central Rights Income received in respect of any year by Franchisees to be less than was received in the previous year solely as a result of the change in the

Franchisees' share of the Central Rights Income as set out paragraph (a) above.

- (f) IPL reserves the right to alter the above-described division of Central Rights Income prior to the closing date for submission of Bids if its forecasts for the income to be generated under the agreements relating to the grant of the Central Rights materially change. The results of the Media Rights tender are expected to be known on 8th January 2008 at which time these forecasts will be reviewed by IPL and the above apportionment of Central Rights Income may be adjusted. Any such adjustment will be notified to all persons who have received a copy of this ITT.

3.5 Licensing

All licensing and merchandising of any products (being products which bear the name and/or logo of the League and/or any Team) shall be conducted centrally by IPL. IPL shall, after the deduction of fair, reasonable and audited expenses incurred in connection with such centralised Licensing (which shall be allocated amongst Franchisees in proportion to the amount of income generated by the Licensing of products bearing the respective Franchisees' logos and other trade names/marks) pay to the Franchisees 87.5% of income received from the sale of products bearing such Franchisee's team name or other trade mark or logo. Where any product bears the name or other logo of more than one Team then 87.5% of the income from the sale of such products (after the deduction of the expenses relating to such sales) shall be divided equally between the relevant Franchisees. IPL will be entitled to 12.5% of the income from all Licensing activities. Franchisees shall not be entitled to conduct sales or grant any licences in respect of the sale of any products bearing the name, trade mark or logo of such Franchisee's team and/or the League.

3.6 Term

Each Franchise will be granted the right (and will accept the obligation) to operate a Team for so long as the League continues (the "Term").

3.7 Players

Following the award of the Franchises, Franchisees will, in respect of the first year only, be invited to select their players by way of a player auction as summarised in Section 10 below. Franchisees are also entitled to contract with players who do not form part of the player auction.

3.8 Stadia

- (a) IPL shall ensure that the Stadia which are the subject of the eight successful Bids are made available to the relevant Franchisees subject to the payment by the relevant Franchisee of the basic Match running costs (which costs will be charged to Franchisees pursuant to the Franchise Agreement).

- (b) Schedule 6 includes a list of those stadia which have or are shortly expected to satisfy IPL's minimum criteria for staging League Matches (the "Stadia"). In submitting their Bid, Bidders must choose one or, if they wish to submit a Bid for multiple locations, more of the Stadia and any Bid which chooses a stadium not referred to in Schedule 6 will be rejected.

3.9 Exclusivity

In order to enable a Franchisee to have the opportunity to establish the business of the Franchise and benefit from first mover advantage, for the first three Seasons of the Term each Franchisee will be granted the exclusive right to operate its Team within a radius of 50 miles from such Franchisee's stadium.

3.10 Play-Off Matches

The right to host the Play-Off Matches (being the semi-finals and final matches in each year to decide the ultimate League Standings of the top four Teams) will be put to tender in each year of the Term save for the first year when the Franchisee whose successful Bid includes the highest overall Franchise Fee will be entitled and obliged to host the Play-Off Matches. The Franchisee which hosts the Play-Off Matches shall be entitled to retain the associated gate receipts subject to the obligation to provide IPL with up to 20% of the aggregate value of all such tickets for each Play-Off Match free of charge (with the type of such tickets to be decided at IPL's discretion).

3.11 Ticketing

Franchisees will be obliged to use an independent central ticketing agency which will organise all ticketing arrangements in respect of all League Matches

3.12 Multiple Franchises

As set out in Section 9 Bidders may submit a Bid in respect of more than one Franchise. However, no more than one Franchise will be awarded to any Bidder and, as provided in the Operational Rules, no Franchisee may have any interest in any other Franchise whether as a result of the award of Franchises as contemplated by this ITT or otherwise.

3.13 Franchise Agreement

The Franchise Agreement attached at Schedule 2 to this ITT sets out further details in relation to the operation of a Franchise including the Franchisee's obligations in respect thereof. IPL reserves the right to amend the Franchise Agreement prior to the end of the period for submission of Bids and, in such circumstances, shall provide all those persons who have received this ITT with an amended version thereof. Each Bidder will be obliged to enter into the Franchise Agreement and to deliver it to IPL as part of its Bid as described further below.

3.14 Franchise Sale/Listing

Franchisees and/or the owners of Franchisees shall (after a minimum period of three years) be entitled to sell their Franchise to a third party or to effect a transfer of a controlling interest in or Listing of shares in the company which (directly or indirectly) controls the Franchisee subject to compliance with the pre-conditions to any such sale set out in the Franchise Agreement including the payment to IPL of a percentage of the value of the Franchise (being 10% for the first such sale, transfer or Listing and 5% thereafter). A "Listing" shall be the admission to trading on any recognised investment exchange of all or any part of the shares in any company which controls the Franchisee.

3.15 Increase in Teams

No increase will be made in the number of teams competing in the League until the fourth Season at the earliest and no more than one extra team will be added in any subsequent Season. It is anticipated but not guaranteed that no more than ten teams will participate in the League.

4. FRANCHISEE PAYMENTS

4.1 As consideration for the right to operate a Franchise and to be a member of the League each Franchisee shall pay to IPL the following sums:

- (a) for the first ten years a fee for the grant of the above rights (the "Franchise Fee") which the Franchisee shall be obliged to pay in ten equal annual instalments over a period of ten years. The total amount of the Franchise Fee must be included as part of each Bid;
- (b) from the eleventh year onwards, 20% of sums received by such Franchisee from the exploitation of the Central Rights and Franchisee Rights;
- (c) if BCCI and/or IPL has, pursuant to the arrangements referred to in Section 10.2 below, paid any amount of the Player Fee payable to any player chosen by a Franchisee under the Player Bid Process then such sum shall be payable by such Franchisee to IPL in accordance with the Franchise Agreement. The Player Bid Document which will be provided to Franchisees prior to the Player Bid Process (as defined in Section 10) shall contain details of any such amounts paid to any players by BCCI and/or IPL. For the avoidance of doubt from signature of the Franchise Agreement each Franchisee agrees to assume all payment obligations in respect of any player chosen by it under the Player Bid Process and IPL shall have no further payment obligations to any such player in respect of the League;
- (d) where a Franchisee successfully bids for a player who has entered into a "firm" agreement with BCCI (as described in Section 10 below) then if the Franchisee (in the Player Bid Process) agrees to pay an annual sum to such player which exceeds the fee which BCCI had agreed to pay to such player (pursuant to the above-mentioned "firm" arrangements) then an amount equal to such excess shall be paid by such Franchisee to IPL and not to the relevant player.

- 4.2 The sums payable to IPL referred to above shall be paid in US dollars unless the Franchisee is an Indian entity in which case (and as required by law) such sums shall be paid in Indian Rupees (converted at the TT selling exchange rate published by The State Bank of India at the time payment is required to be made). All such sums shall be paid together with any service tax which may be chargeable thereon.
- 4.3 Any failure by a Franchisee to pay any of the above-mentioned sums on the due date for payment will be a material breach of and entitle IPL to terminate the Franchise Agreement.

5. REQUIREMENTS FOR PREPARATION AND SUBMISSION OF BIDS

5.1 Further Information

Bidders shall remain responsible for obtaining all further information necessary or expedient for the purpose of submitting their respective Bids, and will be deemed to have done so before submitting any Bid. Information may be sought within 15 days from the date of first issuance of this ITT and thereafter any further queries will be responded to at IPL's sole discretion. No irrelevant query will be entertained and the decisions of IPL in this regard shall be final. No Bidder shall, in the process of seeking clarifications, enter into any contractual negotiations. Further, no Bidder shall, in the process of seeking clarifications, submit a request for information relating to any internal processes followed by IPL.

Requests from Bidders for clarification and/or further information relating to this ITT must be addressed to IPL and marked for the attention of Mr. Lalit Modi and received by IPL by way of electronic mail (e-mail) sent to lkmodi@aol.com with a copy to bccimarketing@aol.com.

Save as specified herein, Bids and other supporting papers that may be furnished shall and will become the property of IPL upon their delivery and IPL will not be obliged to return them. However all information and documents that are furnished to IPL will be treated as strictly confidential and shall not, unless required in accordance with law, be disclosed to any other party.

5.2 No Conditionality

Save as is prescribed above in relation to the proposed location of a Bidder's proposed Franchise, Bidders may not make any of their Bids subject to any form of conditionality or limitation including, without limitation, the identity of, or particular arrangements being put in place with, any other third party, participating teams, scheduling of Matches or other specific requirements relating to the Franchise and/or the League. Any such conditional Bids may summarily neglected and/or rejected.

5.3 Bid Costs

Each Bidder is solely responsible for all costs, expenses and liabilities incurred by it in the preparation and submission of its Bid(s) and any responses to requests for further information by IPL.

6. AMENDMENT/ADDENDUM

- 6.1 The information set out in this ITT is in summary form and does not purport to contain complete descriptions of the arrangements relating to the organisation, staging and format of the League and/or Matches, the arrangements relating to the Franchise or the terms and conditions affecting the exercise of the same, all of which may be subject to change and amended by IPL in its discretion. This ITT does not contain any representation upon which any Bidder is entitled to rely at any point in time in order to bring any claim, action or proceedings against BCCI, IPL or any other third party (whether for misrepresentation or otherwise).
- 6.2 At any time prior to the last date for submission of the Bids, IPL may, either for any supervening factors and/or events or in response to a bona fide request for further information (including clarification) by a Bidder, modify, add or alter the terms of the invitation and/ or the conditions of this ITT by issuing an Addendum(s) or otherwise, without any obligation to provide reasons.

The amendment(s)/addendum(s), if any, will be notified in writing to the Bidders at least 24 hours prior to the last date for the submission of Bids. Such addendum(s)/amendment(s) will form part of this ITT and will be binding.

7. REQUIREMENTS OF THE TENDER

- 9.1 Each Bidder must, as part of its Bid, specify the following information by the completion of a document in the form set out in Schedule 8 (the "Franchise Bid Form"):
- (a) the Franchise Fee it is prepared to pay in respect of each location included in the Franchise Bid Form in order to be granted the right to operate a Franchise at each such location. The attention of Bidders is drawn to the fact that the proposed Franchise Fee included in any Bid for any location (see Section 4.1(a) above) shall be a minimum of US\$50 million (fifty million US dollars) and any Bid which includes a Franchise Fee lower than said sum will be rejected;
 - (b) the desired location(s) for its Franchise which must be chosen from the Stadia listed in Schedule 6. Each Bidder may nominate up to eight such alternate desired locations when completing its Franchise Bid Form provided that it specifies a proposed Franchise Fee for each such location (which may be the same or a different sum for each specified location (subject always to the above-mentioned minimum Franchise Fee)) The order in which locations are set out in the Franchise Bid Form is not taken to indicate any preference on the part of Bidders;
 - (e) full details of its plans and proposals for the operation of its Team and the exercise and exploitation of the Franchise.

Bidders are reminded that although they are able to specify more than one desired location on their Franchise Bid Forms only one Franchise will be awarded to any one Bidder with eight Franchisees to be awarded in total.

- 9.2 IPL strongly recommends that an authorised signatory from each Bidder shall be available in Mumbai on Friday 18th January and Saturday 19th January 2008 to provide any clarifications as may be necessary arising from their Bid, such clarifications to include possible re-Bids as contemplated below. If any Bidder is unable to ensure that such an authorised representative is so available then it should inform IPL in a timely fashion of contact details for a person who will be authorised to submit re-Bids in the event of tied Bids (see Section 9.3 below). **The failure of a Bidder to be so available will result in such Bidder failing to be able to submit such a re-Bid and in such circumstances such Bidder will forfeit the ability to be awarded a Franchise in the location which is the subject of such tied Bids.**
- 9.3 Eight Franchises will be awarded in respect of eight different locations to eight different Bidders according to the following process:
- Each Franchise will be awarded to the Bidder who proposes the highest Franchise Fee in respect of the relevant location and who has not already been awarded a Franchise.
 - The order in which Franchises will be awarded to locations will be determined as follows: The location which is the subject of the highest overall proposed Franchise Fee will be awarded first. Any other offers submitted by the successful Bidder will then be disregarded. Thereafter the location which is the subject of the remaining highest proposed Franchise Fee will be awarded and any other offers submitted by that successful Bidder will be disregarded and so on until eight Franchises have been awarded.
 - In the event of there being equal remaining highest proposed Franchise Fee for two or more locations then IPL shall in its discretion decide the order in which such locations will be awarded a Franchise.
 - In the event that there are equal remaining highest proposed Franchise Fees for a greater number of locations than correspond to the remaining number of available Franchises then the relevant Bidders for such locations will be invited to submit re-Bids for the locations originally Bid for and the final Franchise(s) will be awarded based on the highest offers comprising such re-Bids.
 - In the event of there being tied highest remaining proposed Franchise Fees for a particular location then the relevant Bidders will be given the opportunity to submit a higher proposed Franchise Fee for that location. In the absence of such re-bids the Franchise will be awarded by the drawing of lots. No Bidder shall in such circumstances be entitled to withdraw or reduce its original proposed Franchise Fee.

The following is an example (for illustrative purposes only) of how Franchises will be awarded. The figures below do not express any monetary value or currency and have been chosen for illustrative purposes only. X means the location was not the subject of a Bid.

Locations	A	B	C	D	E	F	G	H
Bidder 1	11	7	9	X	X	X	X	X
Bidder 2	X	9.5	8	8	10	7	7	0
Bidder 3	9	8	8	9	X	8	7	8
Bidder 4	8	8	7	8	X	10	6	X
Bidder 5	X	X	7	7	10	X	X	X
Bidder 6	10	X	X	X	X	8	X	X
Bidder 7	6	6	6	6	6	6	6	6
Bidder 8	X	X	7	7	8	X	7	7.5
Bidder 9	X	X	7	7	8	X	6	6

In this example:

- (a) Location A is awarded first since it is the subject of the highest overall proposed Franchise Fee. It is awarded to Bidder 1 and all other offers from Bidder 1 are disregarded.
- (b) Locations E and F are the subject of equal remaining highest proposed Franchise Fee. IPL in its discretion decides to award the second Franchise to location F. It is awarded to Bidder 4 and all other offers from Bidder 4 are disregarded.
- (c) Location E is awarded next. It is the subject of tied remaining highest proposed Franchise Fee (from Bidders 2 and 5). Bidders 2 and 5 are therefore invited to submit re-bids and Bidder 5 submits the highest re-bid and is therefore awarded the Franchise in respect of location E.
- (d) Location B is awarded next since it is the subject of the highest remaining proposed Franchise Fee. It is awarded to Bidder 2.
- (e) Location D is awarded next to Bidder 3.
- (f) Location H is awarded next to Bidder 8.
- (g) Location C is awarded next to Bidder 9.
- (h) Location G is awarded next to Bidder 7.
- (i) Bidder 6 is unsuccessful.

- 9.4 In the event of the Franchise Fee included in a successful Bid being increased as a result of a re-bid (of the kind contemplated in Section 9.3 above) then the relevant Bidder will immediately be required to endorse an amendment to the relevant signed Franchise Agreement to reflect such increased Franchise Fee. **Failure to comply with this requirement may (in IPL's discretion) result in the relevant Franchise**

being awarded to another Bidder and the Performance Deposit of the first-mentioned Bidder being forfeit.

- 9.5 Each Bidder who is awarded a Franchise must pay the balance (if any) of the Franchise Fee for 2008 within 5 days of it being awarded a Franchise as provided in the Franchise Agreement.
- 9.6 No more than one Franchise will be awarded to any Bidder.
- 9.7 By submitting a Bid, each Bidder irrevocably agrees to the above-mentioned process for the selection of winning Bids for Franchises.
- 9.8 The attention of Bidders is drawn to the fact that if they are awarded the Franchise in respect of Mumbai, Kolkata, Bangalore or Mohali/Chandigarh then the relevant Franchisee will be obliged to enter into a Player Contract with Sachin Tendulkar (in the case of Mumbai), Sourav Ganguly (in the case of Kolkata), Rahul Dravid (in the case of Bangalore) and Yuvraj Singh (in the case of Mohali/Chandigarh) and the Player Fee and any other benefits for such players must exceed by at least 15% the highest Player Fee and other benefits payable to any other player in the relevant Franchisee's squads.

10. PLAYER BID PROCESS

- 10.1 By submitting a Bid, each Bidder irrevocably agrees, in respect of the first year only of the Term, to participate in the Player Bid Process in the manner contemplated by the Franchise Agreement and as summarised below. The Player Bid Process will occur in the first year only; thereafter Franchisees will be able to source Players directly.
- 10.2 Once Franchises have been awarded unconditionally in respect of all initial eight Teams then the Franchisees will be provided with a document (the "Player Bid Document") which shall include a list of cricketers available to such Franchisees for their respective teams together with the minimum annual salary payable to such players. The list of players, which IPL currently anticipates shall be included in the Player Bid Document, is set out in Schedule 7. Certain of the international players included in Schedule 7 have entered into an arrangement with IPL under which they have committed to play in the League during the 2008-10 Seasons (subject to any conflicting international duty). The Player Bid Document shall include details of when the players listed in Schedule 7 are likely to be available (taking account of the ICC's Future Tours Programme).
- 10.3 Franchisees will be invited to a meeting at which each of the players listed in the Player Bid Document will be allocated on the basis of an open auction (the details of which shall be provided to Franchisees). Further details in relation to the Player Bid Process shall be provided to Bidders in due course.
- 10.4 Once submitted, any bid for a player may not be revoked or otherwise withdrawn. Such player bids will constitute an irrevocable offer to proceed to enter into a Player Contract with the relevant player on the terms of the relevant bid.
- 10.5 The attention of Franchisees is drawn to the fact that the Operational Rules shall contain:

- (a) a minimum individual Player Fee;
 - (b) a minimum aggregate amount which must be spent on the Player Fees of all players in the Franchisee's squad; and
 - (c) restrictions on the number of eligible overseas players which a Franchisee may have in its Team (currently four) and in its squad (currently eight) although players who are unavailable for any reason do not count towards such quotas.
- 10.6 Under the arrangements with the international (non-Indian) players listed in Schedule 7 BCCI and/or IPL may have paid such players an instalment of the Player Fee which will be payable to them under such players' relevant Player Contracts. As described in Section 4.1(c) above any such sums paid to such players shall be reimbursed to IPL by the Franchisee, which selects such players under the Player Bid Process.
- 10.7 Of the above-mentioned arrangements with certain of the international players listed in Schedule 7 some are "firm" which has the effect that the player receives a Player Fee equal to the amount agreed between BCCI and the player irrespective of the actual sum which is bid for that player under the Player Bid Process. In such circumstances where the annual amount which is bid for any such player exceeds the sum agreed between the player and BCCI then the excess shall be payable by Franchisees to IPL and not to the relevant player (as provided in Section 4.1(d) above). The Player Bid Document will indicate which players have entered into such "firm" arrangements and in all other cases the players shall be entitled to receive the relevant Player Fee agreed following completion of the Player Bid Process.
- 10.8 The Player Bid Document will set out the sums, which have been paid to players by BCCI and/or IPL (see Section 10.6) and any "firm" arrangements with players (see Section 10.7).
- 10.9 Neither IPL nor BCCI are able to guarantee the availability of any international players for the League since such players may be required to obtain the prior consent from any relevant party including their national cricket governing body.

The amount of what is referred to in the Tender Document as a "Performance Deposit" which has been paid by the Franchisee upon submission of its bid for a Franchise shall be credited against the Franchisee's payment obligations in respect of the Franchise Fee for 2008; and

This is good news, and KD further clarifies that this holds true even for stand-alone entities – there was an earlier view from KPMG that only existing large corporates with marketing expenses could hope to claim tax deductions on the franchise fees.

Subject: RE: Answers to Questions raised by the Franchise ITT 1

I discussed the latest Franchise agreement with KPMG and they feel that the new Clauses i.e 2.3 and 7.1(a) which allows the franchisee not to pay the fee if the league is not held in any year and even to terminate the agreement in case the league is not held for two consecutive years and treating the first payment as a league deposit, to be refunded if the league not held adds further credence to the fact the fee is revenue in nature and no enduring benefit is created. The franchisee is only able to commercially exploit the franchise by paying the fee on an year to year basis and only if the League is held. This is a fairly good test to consider the fee as revenue and thus tax deductible.

By calling it a different name i.e sanction fee or membership fee would not in any way alter the nature of the fee in the eyes of the tax authorities as per KPMG.

I think we can take a view that the franchise fee is revenue in nature and tax deductible.

Subject: RE: Answers to Questions raised by the Franchise ITT 1

I have now had several rounds of discussions with KPMG on the tax deductibility of the franchise fee. It is quite a contentious issue and there probably will be litigations as to whether such payments are revenue in nature and thus tax deductible. I am putting down the the final view which has emerged in this mail and perhaps Peter and John can decide how exactly the answer should be phrased in the document.

In a nutshell KPMG's view is that considering that these are regular year on year payments which allows the franchisee to own a team and participate in the IPL and does not really create an enduring asset, it can be strongly argued that such payments are revenue in nature and hence tax deductible. The fact that the franchisee is able to commercially exploit the franchise does not make it capital in nature. If the franchisee defaults in making the payment in any year, there would be a breach which can lead to termination and loss of commercial exploitation and thus it can be argued that no enduring benefit/asset is created. KPMG have been able to research a case relating to BSNL (a telecom service provider in India) where similar license fee paid was held to be revenue in nature.

There is also a fallback in case the tax authorities consider this as capital. The Income Tax Act in India allows depreciation on intangibles and franchises have been included in the definition of intangibles although there is no explanation of what exactly is a franchise.

Sorry for sounding like a text book on income tax!

Good Morning Gentlemen,

Please find attached the updated IPL Franchise ITT Clarifications.

Thanks,
Radhika

More new features than ever. Check out the new [AOL Mail!](#)

The following questions have been raised by parties who have requested the Indian Premier League Franchise Invitation to Tender. The questions have not been assigned to any particular bidder and this document has been circulated to all parties who have requested the ITT.

Please note that following further enquiries, the answers to questions 1, 7, 11, 13, 15, 20, 22, 23, 25, 27, 28, 39, 44, 46, 58, 63, 67 and 73 have been revised. The answers given here should be considered the final and correct answers.

New questions received have been added to the end of this document from number 77 onwards.

Some important changes have been made to the Franchise tender process – these are reflected in numbers 87, 88, 105 and 106.

QUESTIONS ON PLAYERS AND SQUAD RESTRICTIONS

1. We need to clarify how the 16 team members are to be arrived at - our understanding is max 4 International Stars in the playing 11 and max 8 of these in the team of 16. This means 12 players could be any Indian player or new talent keeping in mind the restriction of 'Sachin plays only for Mumbai, Saurav for Kolkatta' and so on. Is this correct?

Answer: Yes this is correct. Squads must be a minimum of 16 for the IPL season, with a maximum of 8 overseas players (maximum of 6 overseas players in the match XI). Any overseas players in a Franchise's squad who are unavailable due to international duties will not count towards the total for the period that they are unavailable. 4 players must be under-21 and 4 must hail from the Franchise catchment area (these can be the same player). There is no requirement that Franchisees must have overseas players – teams can be comprised solely of Indian players if that is preferred.

2. From the ITT it looks like the Franchisee is not bound to sign up players from those in the IPL pool list- is this correct? If so, the rule is we must have 4 International (foreign) players in a team and 12 others who may or may not be established stars.

Answer: Franchisees are not bound to sign up players from those in the IPL pool list. There is not a requirement to have international players in the squad, just a restriction that there may not be more than 8 of these.

3. What is the minimum/maximum number of Indian International players per team?

Answer: there is no minimum or maximum number of Indian international players per team.

4. What is the minimum/maximum number of Indian Domestic players per team??

Answer: there is no maximum number of Indian domestic players per team. There must be 4 under-21 players per squad and 4 players per squad who come from the Franchise catchment area (these can be the same players).

5. Each squad will have 16 players. Hence for 8 teams a total of 128 players are required. The list provided by IPL (Schedule 7) has names of about 88 players only. Who are the other 40 players?

Answer: Each squad will have a minimum of 16 players. Outside the players listed in Schedule 7, Franchisees may recruit other players from India or overseas provided they do not break the rules regarding the make up of the squad (8 international players maximum per squad, 4 under-21 players per squad, 4 players from the Franchise catchment area per squad)

6. The players list is not finalised and confirmed. Matches are in March/April. As per the calendar of schedules is it possible to know players from which countries will be available for IPL during March and April?

Answer: The IP is currently scheduled to start April 18th and finish June 1st. The availability of international cricketers is subject to their fitness and selection and their countries' commitment to the ICC Future Tours Programme. In 2008 it is anticipated that Indians, Sri Lankans, South Africans, Bangladeshis and Zimbabweans will be available for the whole tournament. Pakistanis will likely be available from April 27th onwards, West Indians until Mid May, and New Zealanders until the end of April. Australians in the one day team are likely to be available from late April onwards, Test players are unlikely to be available in year one. Players not selected by their national teams and those retired from international cricket are likely to be available for the entire tournament.

7. Franchisees are obliged to sign up players for 3 years. What is the remedy if there is no commitment or lack of performance of some players from the first year. Are Franchisees stuck with players for three years?

Answer: The players are obliged to perform to the best of their ability. If they are in breach then termination would be possible. Otherwise for the players in the auction the initial term is 3 years. Players outside the auction can be signed up for a term shorter than 3 years if the Franchisee wishes.

8. To make a decision on which of the IPL pool players one might want to bid for, can bidders have the contracted amount agreed per player?

Answer: This information will be distributed prior to the Franchise bid deadline.

9. There was no mention of Hinterland players in the tender document, but it was mentioned in the Prospectus.

Answer: If this refers to players from the Franchise catchment area, each squad must have 4 players hailing from the Franchise catchment area.

10. Would you be open to reconsidering the minimum fee of \$50K per player - if we apply this to the 4 'raw' talent members it looks like a very heavy compensation for a young kid whose career is just starting.

Answer: IPL have reconsidered this and have set the minimum salary at \$20,000 per year per player.

11. What is the position with regard to Australian players? In the present climate if successful, we would not want to bid for any one of them.

Answer: The Australian players that have committed to play in IPL will be available for recruitment via the player auction. In no case will Franchisees be compelled to bid for any particular player.

12. Is there a limit on the size of the squad?

Answer: There is no maximum squad size, the minimum is 16 players.

13. Will a franchisee be bidding for a particular player for 3 years or just the first year?

Answer: Franchisees will be bidding for a player's services for three years (players in the player's auction only - players recruited outside the auction can be contracted for a shorter period).

14. Is it correct to assume that after year 3, the Franchisee will be free to contract any player? Is there any list of banned players (overseas and Indian)?

Answer: Franchisees are free to contract any player provided they have a No Objection Certificate from their home board and provided that Franchisees do not break the rules regarding the make up of their squad. Players who have appeared in non-sanctioned tournaments such as ICL will not be available for recruitment.

15. Minimum expense of \$3.3million is mentioned in Schedule 3 cl.2d. Is this amount inclusive of all player associated costs such as travel, hotels, bonuses etc.

Answer: This minimum salary level covers base salary of all players in the squad.

16. Is it mandatory for the Franchisee to spend at least USD 3.3 Million on the player fee ? Does it include the performance linked bonuses ? Does it include the "prize money" from the Central Revenues ?

Answer: The \$3.3m is the minimum spend per Franchisee on players' salaries. This does not include bonuses or prize money. It will be up to Franchisees to decide whether to award bonuses and/or share the prize money with players.

17. Is it mandatory for the team franchisee to give the "prize money" from the central revenues to the players?

Answer: No (see above), the "Variable Central Revenues" are those determined by the Franchisee's finishing positions in the League. These Variable Central Revenues may be distributed in whichever manner the Franchisee prefers.

18. Will players be travelling by private jet or by commercial airliners?

Answer: IPL anticipates that players will travel by commercial airliners.

19. Will IPL arrange for overseas players' immigration and visa requirements?

Answer: Franchisees to arrange but IPL will give assistance and have already started the process.

QUESTIONS ON PLAYER CONTRACT

20. Is the first contract with players is for ONE or THREE years?

Answer: The first contract is for three years. Players recruited outside the Player auction can be contracted for a shorter period.

21. If a Franchisee agrees to pay any player a fee which exceeds the fee which BCCI agreed to pay to such player, then the excess amount shall be paid to IPL. However, this is in contradiction to the clause in the MOU signed between BCCI-IPL and the player which states that the excess amount will be paid to the player. This is to be clarified.

Answer: Under the "firm" agreements any excess is paid to IPL. It is under the "basic" agreements that the excess is paid to the players. Most players who are contracted to IPL have chosen the basic arrangement.

22. Suppose a player is endorsing Coke, will he be able to play for a Pepsi branded team (with the Pepsi brand on his apparel) ? (Clause 3.1k of Player Contract)

Answer: Yes in this case he would be allowed and expected to play for this team. He would not be allowed to endorse Coke in relation to his activities as a member of the team. It would be for the player to resolve any issues between the player and the personally endorsed brand.

23. Another iteration is when the player is able to play but the Franchisee (or Franchisee Partner) cannot use his images, because of conflict of brands. What is the relief available to Franchisee (or Franchisee Partner)?

Answer: No Franchisee may use players as individuals to endorse a Franchisee or Franchisee Partner without a separate agreement with the player. In the event that a player has an existing endorsement arrangement then that player would be restricted from entering into the separate agreement. Franchise owners may use players in groups of no less than 3 players (unless individual agreements are reached with players to promote the Franchise).

24. Will the players declare all their Existing Agreements before Franchisees bid for them? Sufficient time should be given to Bidders to study the same. In fact, the player should clearly state what he is barred from doing for a franchisee / franchisee partner.

Answer: The player contract obliges the player to wear team apparel and to take part in team endorsement activities or risk losing 50% of the annual player fee. IPL would hope, therefore, that this penalty ensure players are fully available to Franchises.

25. In case the player is injured and requires long term treatment (much beyond the terms of the tournament), who will bear such expenses?

Answer: We have had a number of questions in relation to Insurance of players against injury. The Franchisee will be obliged to insure against all such expenses. IPL intends to offer Franchisees a central policy which will offer such cover but Franchisees are free to make their own arrangements in this regard if they so wish, but if they choose to do so the policy must satisfy IPL's requirements.

26. Clause 4.2 of Player Agreement – Kindly confirm that the player will make a maximum of 10 appearances for promotional purposes. The appearances for the matches are over and above these 10 appearances.

Answer: This refers to promotional appearances – matches are excluded from this.

27. Clause 3.1 i of the Player Agreement – Will the Franchisee be able to "sell" the player for him to play for another team of another league in the Champions Tournament?

Answer: The rules regarding player recruitment for the Champions Tournament have yet to be finalised.

28. Should the Club not win the IPL Trophy, can the player be sold to another Franchise for its play in the Champions Cup?

Answer: The rules regarding player recruitment for the Champions Tournament have yet to be finalised.

29. Will the bat/shoe of players carry a logo? Can the Franchisee decide what logo the bat/shoe should carry?

Answer: Players may continue with their existing bat, shoe or sunglasses agreements. Franchisees may not decide what logo the bats and shoes carry, although it should just be logos of the manufacturers of this equipment, subject to ICC regulations.

QUESTIONS ON IPL GROUNDS AND MATCH IMPLEMENTATION

30. Will IPL/BCCI or the Association that owns the relevant ground arrange for all security and human resource requirement, and charge the same to the Franchisee?

Answer: Each Franchise will be required to put in an Event Manager – they will work with the local Association and IPL Venue Team to put this together.

31. What is the cost of using the Stadium for practice?

Answer: The cost will be for the entire IPL season and will not be divided into match and practice days. The stadium will be available from 4th April – end of the season.

32. Is the cost uniform for all Stadia?

Answer: No it is not. Costs will vary from venue to venue as different cities have different costs.

33. Who will have the final authority on the ground on home match days?

Answer: IPL will have final authority – working with the Franchises.

34. Will the relevant ground be available to the franchisee for the duration of the 'season', allowing for practice etc? What charges will be made to the franchisee?

Answer: Yes the grounds will be handed over to IPL from April 4th and Franchisees will be able to use the grounds for practice and marketing activities during this period.

35. What merchandising facilities are available on the grounds?

Answer: Franchises will have to set up merchandising stalls and the space will be allocated.

36. What concession facilities are available on the grounds?

Answer: All IPL grounds have concession facilities. Franchisees will have to work with the vendors on this.

37. Hospitality facilities are very poor on most of the grounds. Is there a plan to bring these to a standard which would be needed if corporate hospitality market is to be targeted?

Answer: Yes but over a period of time.

38. Will all stadia will be "clean" of all other advertising? (Upper tier etc.)

Answer: All stadia will be handed over to IPL "clean" of all advertising prior to the tournament. The ground level advertising inventory will be commercially branded, the upper levels will be IPL branded.

39. Is the BCCI OK if with 20 % Ticket allocation for BCCI for Franchise Home matches is based on "numbers" and not "value"?

Answer: 20 per cent of all categories of tickets will be allocated to the BCCI. For example if there are 500 hospitality seats then up to 100 of those tickets will be given to the BCCI and 400 remain with the Franchisee. This is applied to every category of ticket at the venue.

40. Are we correct in our understanding that all the local matches will be managed/staged/organised by the local association on consideration of costs fixed by BCCI/IPL?

Answer: Franchisees will manage the match day operations in accordance with IPL match staging policy and will be obliged to pay all costs associated with this.

41. Will the local Association make available to the Franchisee all the corporate hospitality boxes and other premium seating facilities?

Answer: Yes, subject to the ability for IPL to require a number of tickets (20% by total value) for distribution to local associations etc. 20 per cent of seats.

42. Will Liquor be available to the public at the matches?

Answer: This will be subject to each state. It will be necessary to apply for a liquor licence if Franchisees wish to sell alcoholic beverages at IPL matches. In many stadiums it is available but specific permission is required.

43. Will there be online ticketing arrangements?

Answer: There will be online ticketing arrangements in addition to tickets being made available at each ground. The arrangement is being made at each ground and IPL is in the process of working with a central ticketing agent for all grounds but the tickets will be sold at each venue.

QUESTIONS ON FINANCIALS

44. What is the drawee name for performance deposit of US\$ 50 million?

Answer: IPL is the drawee. Please note that the performance deposit is US\$5 million, not \$50 million.

45. In case there is a default by the Media Partner of the IPL, thereby adversely affecting the income into "Central Revenues", How will the Franchise be compensated. Similarly, what if the other incomes into the Central Revenues are defaulted by respective parties ?

Answer: Specific protections have been built into Central Rights Agreements (in the form of Bank Guarantees) to ensure that this will not happen.

46. Could you please illustrate how sharing of "10% of the value" would work under the following scenarios

a) IPO/Listing

b) Private Placement of Equity

c) Sale to any third party

Answer: If the value of the Franchise is readily ascertainable in any of the above circumstances (e.g. on a sale of solely the Franchise) then the sale proceeds would be the value. In all other circumstances the fair market value of the Franchise will be used (to be determined independently in case of disagreement).

IPL has decided to simplify this aspect and will receive a 5% share of the total sale price paid on any private transfer of shares in the Franchisee (or any company which controls the Franchisee) excluding transfers between members of the same consortium. This 5% share will be paid to IPL.

irrespective of the number of shares transferred and will not therefore only apply to transfers which trigger a change of control. On any occasion when existing shares in the Franchisee (or any company which controls the Franchisee) are listed on a stock exchange (whether at the time of the IPO or otherwise) then IPL will receive 5% of the proceeds realised by the relevant shareholder(s) on such listing. In addition, if and whenever the Franchise is sold by way of an asset transfer deal then IPL will receive a 5% share of the total sale price

47. Clause 2.3.3: When is a Guarantee to be given and is there any time limit?

Answer: If required a guarantee would be entered into within a matter of days of the signature of the Franchise agreement. Since this is intended to be a parent company guarantee it is not to be limited in time.

48. What are the Central expenses to be deducted from sharing income – whether it includes cost of running tournament, cost of administration, cost of production, cost of marketing, commission payable to IMG, any other cost incurred by IPL etc. ?

Answer: Please see Clause 3 4(b) which now provides some comfort to bidders about the League Expenses. In addition, the definition of League Expenses in the Franchise Agreement provides further detail. For the avoidance of doubt, the commission payable to IMG is not a League Expense.

49. Exchange rate for US \$ - Is it likely to be frozen at any particular rate?

Answer: Yes it is frozen at Rs40

50. What is IPL's estimate for Central Sponsorship income?

Answer: Due to the 6 week length of the tournament, the closest cricket tournament in comparison to IPL is the ICC Cricket World Cup. In cricket world cups from 2003-15 the total figure for tournament sponsorship revenue has been approximately 35-40% of the total amount for media rights revenue.

FRANCHISE AGREEMENT QUESTIONS

51. In case of increase in Franchisee fee as a result of a rebid, then the bidder is required to endorse an amendment to the relevant signed Franchisee agreement. Does it mean that the Franchisee agreement is to be signed at the time of submission of bid?

Answer: This is Correct – a Franchise Agreement for each location which is the subject of a bid must be signed and sent by bidders at the same time as the submission of their bid.

52. There is no mention of Deduction in the Central Rights Income in the Franchise Agreement (Central Expenses, as mentioned in the ITT)

Answer: The definition of Central Rights Income provides that it is net of League Expenses

53. In order to safeguard BCCI's interest, it is advisable to get a bank guarantee for an amount of 5 Million Dollars each from the successful bidders which represents the Franchisee fee for one year though there is a guarantee from the Parent Company to cover any default.

Answer: Given the requirement for the US\$5m Performance Deposit together with IPL's ability to withhold Central Rights payments (and the possibility of a parent company guarantee), IPL felt that a bank guarantee was unnecessary.

GENERAL QUESTIONS

54. Can IPL supply the bidders with a copy of the "Operational Rules"

Answer: These will be supplied before the bid deadline.

55. Is there a possibility that the Board of IPL will consider a 4 week delay to the offer date to allow for dust to settle on the controversy arising from the current tour of Australia?

Answer: The closing date for Franchise bids is 10am January 24th.

56. The Form of Franchise agreement (Schedule 2 of the ITT) which is part of the Bid pack also contains

Schedule 1 - The League Marks

Schedule 2 - Player Contract

Schedule 3 - Franchise Obligations

Schedule 4 - Sponsorship Rights

Schedule 5 - Deed of Guarantee

I trust the bidder does not need to submit all of these schedules along with the "Form of Franchise Agreement" and especially we wanted to confirm that Schedule 5- Deed of Guarantee needs to be submitted only if the IPL requires the Bidder to do so.

Answer: All of the schedules automatically form part of the document so should be printed by bidders and attached to the signed agreement(s). A separate deed of guarantee will need to be completed by a parent company if BCCI decides it is necessary but the signed Franchise Agreement(s) should still contain the blank version.

57. Section 2.2 of the ITT ("Bid Objectives") mentions in the last line that "Bidders should demonstrate how they will be able to assist IPL in seeking to achieve the above stated objectives". Since there is no template provided for this info, is it ok if the bidders use their own template and format for the same?

Answer: Yes IPL can allow this.

58. Section 2.3 of the ITT ("Eligibility to Bid") mentions in the last line that "all Franchises will, for at least the first three years, be located in India". Does this mean that Bidders located outside India, will have to operate a subsidiary company in India or can we decide this structuring post the bid process.

Answer: All Franchises will play all their matches in India during the first three years at least, but Franchisees from overseas are entitled to bid for ownership of the Franchises. BCCI need to know the possible structures from which Franchisees based outside India. It is not a requirement of IPL that Franchisees operate an Indian subsidiary.

59. Again for bidders based outside India, can we get the AFFIDAVIT (which is one of the documents to be submitted) notarized overseas or does this specifically have to be done in India?

Answer: IPL can allow the affidavit to be notarized outside India (at the consulate in the relevant territory) for bidders who are based overseas.

We just need a solicitor for this or any notary.

60. Can a bidder form a new company after winning the franchisee rights to hold and better manage the franchise. (This new company would be a Group company or a company controlled by the same promoter. This new company will meet all the bid criteria of the BCCI.)

Answer: Yes this would be allowed subject to any parent company guarantees which may be required by BCCI.

61. What does IPL mean by "exclusive right to operate its team within a radius of 50 miles" (clause 3.9)

Answer: This means that no other IPL Franchise will be granted within 50 miles of another. Each Franchise will have a 50 mile zone of exclusivity for the first three seasons.

62. How does IPL propose to sell the merchandise?

Answer: This can be done via the website, concessions at each ground and for the Licencee to make arrangements for this to be available through retail outlets at each venue

63. If a Franchisee wants to produce and sell/give away some merchandise on their own, is that allowed?

Answer: Franchisees may make their own licensing arrangements, outside the categories of team uniform and video games.

64. Naming of Team – Can it called with the Corporate name as a prefix or a Brand name as a prefix. (say "Pepsi Warriors, Coke Invaders,)

Answer: Yes such naming is permitted although the team name must also include the city or area the team is based in e.g. Pepsi Mumbai Warriors, Coke Kolkata Invaders etc.

65. Can the Stadium be named after the Franchise name for the duration of the Event?

Answer: No such stadium naming rights will be permitted

67. It is possible that a team is called "Pepsi Warriors" and the League is sponsored by, say, Coke and hence call the "Coke IPL"?

Answer: Yes this would be allowed although please note that teams must also refer to the place the Franchise is from e.g. "Pepsi Mumbai Warriors".

68. Can a Telecom Company who is a Franchise holder become a Telecom Partner of the League ?

Answer: Yes this would be allowed.

69. Can a Franchise holder have the right to the League content on its own TV Channel as is the norm in the Football Leagues and also have its own Web portal ?

Answer: 72 hours after each match, the rights become non-exclusive, so after that IPL can grant franchises the right to show matches in part or in full on a Team TV channel or website. Within the 72 hours, although the licensee has exclusivity, IPL has reserved the right to make available

on the Internet 52 minute highlights per match with a one hour holdback after each innings. This can be on the IPL website or any Team website. To be clear, no match footage can be made available on a Team TV channel within the 72 hours. Although the IPL media licensee will have exclusivity in relation to the contents of the Feed (i.e. exclusivity in relation to match action, but also anything else included in the Feed) for 72 hours the Teams can produce and/or transmit other League-related content, such as interviews etc.

70. What is the structure envisaged for interaction between the IPL Governing Council & the Franchise owners ?

Answer: IPL will administer the League but will welcome any suggestions or representations from the Franchisees.

Answer: This is not a situation that IPL in any way envisages. In the unlikely situation there were not 8 suitable bids, BCCI would reserve the right to operate Franchises.

73. Can Franchises sign up local sponsors who are in conflict with the central sponsors?

Answer: Yes but no more than 3 perimeter boards may be granted to such conflicting sponsors..

Answer: IPL will be in charge of Media.

76. A stipulated aim of the IPL is to improve India's stadium infrastructure. Who will pay for such improvements?

Answer: The BCCI will provide money from the IPL income to State Associations to allow for the upgrading of their stadia.

Answer: There is not a salary cap at least for the first three years.

79. I remember you mentioned that there will be a bid for players in February and the selection will be based on winning bid. In that case, what is the individual bid amount for each player and how when will this begin?

Sponsorship Revenue: During the first 10 years 60% of the central sponsorship revenue will be distributed to Franchises.

10% of Franchises' share of the Central revenues (not the 20% stated in the ITT) will be based on the team's final league positions. This sum is divided into a number of equal "shares". Multiples of these shares are awarded based on a team's finishing position in the league (not the finals week end) *While there are eight franchises, the team finishing top of the league receives 8 shares, the team finishing second 7 shares and so on down to the team finishing last receiving 1 share, a total of 36 shares.*

93. What are the naming conventions? Can the team be called Pepsi Mumbai? Pepsi Mumbai Marathas? Mumbai Marathas?

Answer: In this instance a Franchise could be called Pepsi Mumbai Marathas or Mumbai Marathas.

94. Who bears the costs for music and other entertainment?

Answer: The Franchisee will bear this cost.

95. Can a team enter into tie-ups with news & other TV channels to promote the Franchise?

Answer: This can be done so long as it is not in conflict with the Central Media Rights Agreement.

96. Corporate boxes and other hospitality locations in stadia: By way of example, we understand that Feroz Shah Kotla Stadium in Delhi has pre-sold corporate boxes to multiple clients (including

Vodafone), and same is the case with the Chinnaswamy Stadium in Bangalore (Spice Telecom), MA Chidambaram Stadium in Chennai etc. Request clarity in this matter from BCCI.

Answer: Any such pre-sold contracts will not be applicable to IPL.

97. Tickets in stands: If specific stands in stadia have been sold to corporates, do those arrangements still hold good for IPL matches? For example, we understand that Chidambaram Stadium in Chennai has sold some stands to clients like Cognizant. Therefore what impact do such deals have on ticket availability to the franchise?

Answer: Any such pre-sold contracts will not be applicable to IPL.

98. Stadium branding: Do the pre-existing arrangements regarding permanent branding on ground or in the upper tier of stadia remain valid for IPL games? (Wankhede with Tata)

101. We request you to please provide us with specific information regarding each stadium and any pre-existing contracts that we need to be aware of before bidding.

Answer: Any such pre-sold contracts will not be applicable to IPL.

102. We understand that the minimum bid for a Franchisee is US\$ 50 million. i.e roughly INR 2000 crore. Payable in equal annual instalments of INR 200 crore. Is this Correct?

Answer: It is correct that the Franchise fee must be paid in equal annual instalments. However please note that \$50 million is Rs 200 crore, not 2000 crore

103. Can we bid in a JV or as a Consortium of 3 or more?

Answer: Yes but please note the eligibility criteria and other requirements.

104. Section 3.3(b) (last para) of the Tender: The Franchisee has the right to use 12 advertising boards on all home league matches. I am assuming we are referring to the perimeter boards here. We would like to know which 12 boards in respect to location will the Franchisee be entitled to.

Answer: This refers to the perimeter boards. Outside of the title sponsorship package, the remaining boards will be divided into categories A and B in accordance to their likely television visibility. The Franchisee will be allocated 6 boards from each category.

105. Section 3.5 of the Tender (the last sentence) & Clarification # 63 dated 17th Jan'08: Please clarify how the Franchisee is allowed to do licensing of products using the home team logo and/or trademark.

Answer: Outside the categories of replica uniforms. Franchisees may license their own products. Replica uniforms are therefore the only product which will be included in the central licensing programme as described in Section 5 of the ITT.

106. Section 9.1(b) of the Tender (last sentence): Please clarify if the Franchisee bids for 4 cities and the Franchisee puts a higher figure in for City # 1 and a lower figure for City # 3 (which is the preferred city), is the Franchisee given a choice, if it's the highest bidder for both on which it would prefer.

Answer: Yes but such a Franchisee would only be offered this choice when one of its two bids is the highest remaining proposed franchise FEE (as described in Section 9 of the ITT) and the other bid is for a location which qualifies to be awarded a Franchise in accordance with Section 9 of the ITT.

107. Schedule 4 of the Franchise Agreement on "Branding on team dugouts": if the team owned by the Franchisee is playing at a home match, it seems only acceptable that the Franchisee at the home match should be able to brand the dugout, his team sits in.

Answer: Branding on the dugouts will be made available to Franchisees on a non-exclusive basis – both Franchise sponsors and Central IPL Sponsors' logos will appear.

108. When must bids be submitted?

Answer: The deadline for bids is 2pm on Thursday 24th January.

109. When must bidders lodge the performance deposit?

- (v) Evidence that the signatory of the Franchise agreement(s) was duly authorized to do so (e.g. a board member).

111. In the Eligibility Letter, Section 1.1(b) requires details of all shareholders of the Bidder. Besides the names of the shareholders, is there any further information that is required?

Answer: The names will be sufficient.

112. In the Affidavit, right at the very end, it mentions "Annexure". What is required to be filled in here, considering this is an Affidavit

Answer: Please consider this reference to "Annexure" removed.

113. Please confirm that the Franchise will retain the rights to market, and retain the revenue from the Franchise naming rights (e.g. naming a team "The Pepsi Mumbai Warriors") and the shirt sponsorship rights (e.g. marketing the rights to place the Pepsi logo on the team uniform).
Answer: Yes all these rights and revenues are retained by the Franchisee.

114. In the Franchise Bid Form (reference Schedule 6), where stadium and location is mentioned, regards city of Mumbai, there are 3 stadia, viz, Brabourne, Wankhede and D.Y. Patil. What we need to understand is: (a) Do we need to mention all three or two stadia for Mumbai? And (b) Currently Schedule 6 shows Wankhede Stadium as under reconstruction. Should Wankhede be an option to me in 3-4 years, after its construction, am I in a position to bid for it now?
Answer: In this instance the Franchisee could choose to play in any of the three Mumbai Stadiums.

Subject: IPL Franchise ITT Clarification 3

Date: Tue, Jan 22, 2008 1:32 am

Dear All,

Please find below a clarification for the ITT:

Following considerable research it has become apparent that it would not be consistent with Indian culture for Franchises to carry corporate identification in the Franchise team names, and that it would be counter productive to the overall development of fan interest in supporting the Franchises. Accordingly it has been decided that no corporate identification in Franchise team names will be permitted. Franchise playing and practice uniforms may carry corporate branding (similar to the Sahara sponsorship of Team India during One Day Internationals).

Thanks,

Subject: Fwd: IPL Franchise ITT Clarifications 4
Date: Tue, Jan 22, 2008 4:34 pm

FYI - Last set of clarifications

Sent: Tue, 22 Jan 2008 12:14 pm
Subject: IPL Franchise ITT Clarifications 4

Gentlemen,

Please find below further clarifications for the IPL Franchise ITT:

1. At point number 1 - Is the number of overseas players in the Match XI revised to 6 from the earlier 4 ??

Answer: There can only be up to 4 overseas players on the field at any time in the XI and up to 8 in the squad. so you can if you desire to increase your squad you can do so. It is entirely upto you.

2. At point number 8 - BCCI has stated that it would inform the bidders about the contracted amount of the pool players before the Franchise bid deadline. Now that the Franchise bid date is just 4 days away this info has still not been shared by the BCCI. As you would appreciate this input is very crucial to estimate the expenses of a franchise and without this info the bidders are unable to arrive at a decision regarding bidding for the Franchise.

Answer: We have stated that the range in the base salaries is \$50,000 to \$400,000. The full list will be made available after Franchises have been determined.

3. Further, we would also like to understand the process of bidding for the players. This is a vital input for us to evaluate the ITT and formulate our bid. For example, will the most expensive players be put for bid first? OR will it be on random basis ?? Clarification on this aspect will enable bidders to better estimate the cost on this account and hence enable them to make an informed bid for the Franchise.

Answer: The bidding process for players is currently being finalised. The player auction will take place at the end of February and Franchisees will be notified of the process well in advance of the auction. The process of the auction will be clearly transparent.

4. At point number 10 -BCCI has reworked the minimum player fee downwards to US\$20,000/- which is a welcome step. Similarly would it not be in order to remove the lower ceiling on the overall fee payable to all players put together (currently pegged at US\$3.3 million). For example, if a franchisee wants to have a squad consisting of 10 players (out of a total of 16) from Under 21 (which can possibly be had for a total value of US\$ 200,000/-), as per current tender doc he will be forced to pay US\$ 3.1 million to the balance 6 international players.

Answer: The minimum collective salary remains at \$3.3 million. This is designed to ensure the competitiveness of the League and safeguard the quality of cricketer appearing in The IPL.

5. At point number 88 -You have stated "not the 20% stated in the ITT" - Which page/item of the ITT is BCCI referring to ??

Answer: This refers to section 3.4 (a) of the Franchise ITT. The original intention was to allocate 20% of the Franchise's overall share of the central rights income to league placings (e.g. in 2008 Franchisees' overall share of the central media income was 80% with 20% of that 80% [16% of the total] being allocated to such league placement money). IPL have since revised this and 10% of the Franchisees' overall share of the central rights income will now be allocated to league placings.

6. At point number 106 -The process of franchisee bidding was clear in the ITT, however this clarification has created some doubts. Could you please clarify, citing examples, what is meant by BCCI's clarification ??

Answer: There is a small typing error in this answer, it should read as follows: "Answer: Yes but such a Franchisee would only be offered this choice when one of its two bids is the highest remaining proposed franchise fee (as described in Section 9 of the ITT) and the other bid is for a location which qualifies to be awarded a Franchise in

accordance with Section 9 of the ITT."

By way of example, if when the third location is to be awarded under section 9 of the ITT, one person is the highest bidder for both that third location and also the fifth location to be awarded, then such person shall at that time be offered the choice of whether it wishes to operate its Franchise from that third or fifth location.

7. Further, we request your clarification reg clause 7.1(b) on page 13 of the ITT. Suppose a prospective bidder has deposited the performance deposit of US\$ 5 million, and is subsequently unable to submit the bid (for any reason what-so-ever), will the full amount (US\$ 5 million) be refunded to him within 5 business days ??

Answer: Yes they will be refunded the full amount.

8. We understand from media reports that the WSG / Sony who have won the media rights of IPL for the period 2008-2017, have bid such that they will pay less per year in the initial years and and higher amount as the years progress. Can BCCI share those figures with the potential bidders ??

Answer: The IPL has contracts in place for Media rights for 10 years covering seasons 2008-2017. These contracts do not include any exit options for the acquiring parties. The weighting of the revenues is approximately one third of the total in years 1 to 5 and approximately two thirds in years 6 to 10. The total is as previously announced US\$918m. In addition the media partners have agreed to provide a marketing budget of US\$108m over the term. Under the terms of the Media Rights Agreements, additional matches as a result of one or two franchises being added to the League will generate additional media revenues on a pro-rata basis.

9. Can the Franchise bidders also bid in a manner whereby they attribute (and pay to BCCI accordingly) a lesser amount to the earlier years and higher to the subsequent years ??

Answer: It is a requirement of the Franchise ITT that the Franchise fee is allocated equally over the initial 10 year term.

10. We also understand that WSG / Sony have agreed to the subsequent payments of annual guaranteed amount subject to certain events/conditions (for example achievement of certain level of TRP etc.) . Will the BCCI share the terms with the potential bidders ?? Can the Franchise bidder bid in a similar fashion ?? (This is very important as the income from Media Rights constitutes a significant proportion of the overall revenues coming to the BCCI/Franchisee).

Answer: The total amount of revenue across the term that could be withheld based on ratings delivery is only US\$11m. Franchise bidders may not bid in a similar fashion.

11. Please explain the extent of protection of the revenues payable to BCCI under the terms of the Media Rights Agreement.

Answer: The Media Rights Agreements stipulate that all revenue payments will be protected by a 1 year rolling bank guarantee drawn on a bank of international reputation.

12. We seek your confirmation that the contractual obligations of IPL (and its media partners etc) shall exactly mirror those of the franchisees, and, should IPL fail to discharge any of its obligations, or the media revenues fall below the reserve price of USD 59 mlo p.a, the franchisee shall be fully discharged of its obligations and be free to exit the league

Answer: The nature of the Media Rights Agreements and proposed Franchise Agreements are quite different and therefore such documents contain their own specific obligations. Under the Franchise agreement each party has the standard remedies for non-performance with a material unremedied breach by BCCI-IPL allowing a Franchise to terminate. The Media Rights Agreements contain an obligation on the broadcasters to provide one year rolling bank guarantees in respect o the obligation to pay the Media Rights fee. However, BCCI-IPL is not prepared to guarantee to Franchisees any specific level of income under said agreements.

13. In the recent clarifications that IPL sent out, could you please refer to Clarification # 114. The question we had asked was whether in the Franchise Bid form, we need to mention all 2 or 3 stadia when referring to our preference for Mumbai or just need to mention one. We had also requested information on when Wankhede Stadium would be an option in the future, would we (if we are successful as a bidder for Mumbai), be able to use the said stadium.

IPL's clarification does not respond to either of the 2 questions.

Answer: Interested parties who are bidding for the Mumbai Franchise only need to specify one stadium for Mumbai, and the successful Mumbai Franchisee will be able to use the Wankhede Stadium or the other stadium in the future should they so wish

Hi Sneha,

The opening ceremony plans are finalised as i write.

We will start the opening matches at 330pm IST and 730pm IST and the opening ceremony will happen post the innings but prior to the presentation ceremony.

There is likely to be a performance between the 2 matches.

I am copying Colleen who is managing this for IPL and James who will be the first point contact for you and the rest of Sony production team.

As for plan, we will have a significant investments in media, but this will be focussed on ticketing and the entertainment in SA. We will have a some communication focussed on flying to SA. The plans are being worked for that.

The franchisee communication will reach you soon.

Subject: DLF IPL 2009 in SA - Fixtures

11,

I am pleased to enclose with this mail the schedule for the DLF IPL 2009 season in South Africa.

We have taken account of a number of specific factors for South Africa: likely weather conditions, competing events (international rugby matches, CWC Qualifying matches, the end of the South Africa vs Australia ODI series, the Comrades Marathon and the travel fair in Durban) - as well as the capacity of each market to deliver crowds for each match. We have taken Cricket South Africa's advice in building the schedule and are very grateful for their help.

Matches will start at 12.30 pm and 4.30pm local time (IST 4pm and 8pm IST).

The opening match will be on Saturday 18 April in Cape Town and the Final on Sunday 24 May in Johannesburg. The semi finals will be on Friday 22 May in Pretoria and Saturday 23 May in Johannesburg.

This means that we have 34 days in which to play the 56 regular season matches. Consequently, there will be two matches on 22 of the 34 days.

There are 5 weekends and 3 public holidays in South Africa during the regular season - Wednesday 22 April, Monday 27 April & Friday 1 May. There will be two matches on each of these days.

We will play 2 matches on 9 working week days. With a view to optimise attendances, we have decided to play these games as double headers - ie two matches featuring four teams in the same venue. On only one occasion will one team play on consecutive days. We are thus able to avoid the back-to-back games that we were forced to consider when we were scheduling the 2009 season in India.

Each franchise will play 14 regular season matches over a 34 day period. The match and travel schedule will be unavoidably intensive. However, internal travel is good in South Africa. The longest flight is 2 hours and all flight will be direct. Coach transfer is possible between Port Elizabeth & East London (186 miles) and Johannesburg & Pretoria (37 miles). If for any occasion, commercial flights are not available, we will charter a plane. Additionally the earlier match start times will allow the possibility for teams playing in the 12.30pm match to travel to the next city that same evening.

Although we will be using 8 grounds, we have decided not to allocate "home" venues to any of the franchises. Durban, Pretoria and Johannesburg are the cities with the largest Indian population and we have decided to play 33 of the 56 regular season games in these 3 grounds. Each franchise is scheduled to play a total of 7-9 games in these 3 grounds.

While no franchise will have a home ground, for each match there will be a home team and an away team. Thus, franchise sponsors will get their branding at their "home" matches. There are a number of logistical issues on the double header games that the IPL team are working through so that we best deliver the franchise sponsor rights. We will update the logistics involved in this in the coming week.

A downloadable version of the schedule will be available on the official website www.iplt20.com

I look forward to seeing you all at in South Africa

Regards
Sundar

At the time of the bidding all of you signed and returned the franchise agreement.

Some of you had provided that you are to form a new co for the venture. Also your shareholding pattern and exact promoters equity details were required. John loffhagen will be in touch today with each of you to ensure we get this to you today. Thereby the final agreements can be delivered to you by the franchisee workshop for final signatures. There is no material changes to the agreement from what you signed except that we need the new co if that may be the case and shareholding issues for our record.

Thanks

Warm regards

Lalit Modi

All,

I am pleased to announce the launch of the inaugural edition of DLF IPL Golf Day.

The season opening golf day will be hosted at the Erinvale Golf Club near Cape Town on the morning of Friday 17 April with a 730am tee off.

This Gary Player designed course played host to the World Cup of Golf in 1996. Throughout the course there are majestic mountain backdrops, panoramic views of the surrounding hillsides planted with vine and sparkling views of the ocean from the higher vantage points. The golf day will be managed for IPL by IMG. There will be interesting little challenges during the season's play in addition to exciting prizes to be won. After the exciting round of golf, there will be lunch at the golf club.

This will be an exclusive and invitation only event limited to 48 golf enthusiasts in total and as partners each of you have the first opportunity for you, your team players and/or your key sponsors to play.

Please register your interest by rsvp email to Maria Sithole (Maria.Sithole@imgworld.com) giving the names of the golfers that you would like to enter.

Once we have an idea of the numbers interested, we will confirm the players and send further details.

Regards
Sundar

Dear Kasi,

The operations rules of the tournament regulations has defined the guidelines on this. The rule is 4 in the starting 11. Kindly refer to the tournament handbook (given to Mr Stephen Fleming and Mr Russel Radhakrishnan from CSK during the captains briefing on the 17 Apr)

Kindly refer to page 125 Operating Rules Section 4C para 2.1 (b).

It states "A franchisee may not play more than 4 overseas players in its starting XI for any Match". There is no other restriction currently on the number of players who can be on the field of play.

I will refer your input on restriction of foreign players at anytime on the field to the IPL technical committee for the future reference.

Sundar

Dear Mr. Sundar Raman,

In today's match, between chennai super kings and delhi dare devils, there were 6

foreign players including 2 foreign players substituting I.e. Paul collingwood and david warner. This was brought to the attention of fourth umpire. When we say only 4 foreigners can play, how was this permitted.

Please take this as a formal protest.

Subject: SA TAX ON PRIZE MONEY

Dear All

Please find hereunder the prize money distributed to each of the teams. The operational document mentions that atleast 50% of the prize money has been to be paid to the players. We assume that the 50% payable to players is equally distributed to all the players in the squad provided by you earlier for SARS tax registration [including those who were only available, but not played any matches - like Glenn McGrath]

The tax rate will be 15% on the prize money distributed to the players, each player to bear the SA tax on his respective share.

IF YOU HAVE A DIFFERENT DISTRIBUTION METHOD [NOT EQUAL SHARE TO ALL PLAYERS], PLEASE REVERT BEFORE END OF FRIDAY, 21ST AUGUST.

We are planning to remit the tax early next week based on our assumption, unless otherwise stated by any franchisee.

Please note that the prize money distributed to support staff, if any, will not suffer SA tax.

Winner Hyderabad	60,000,000
Finalist Bangalore	30,000,000
Losing Semi Finalist Chennai	15,000,000
Losing Semi Finalist Delhi	15,000,000
5th Place Punjab	10,000,000
6th Place Rajasthan	8,750,000
7th Place Mumbai	6,250,000
8th Place Kolkatta	5,000,000

Total 150,000,000

Please mail back in case of any clarifications.

Thank you

Please find attached a letter from the Rajasthan Royals

Mr. Shashank Manohar & Mr Lalit Modi
President BCCI and Chairman and Commissioner IPL

Dear Sirs,

We write with respect to the recent decision to terminate the IMG contract with the IPL. For us, this decision raises a number of deep concerns.

- **The manner in which the decision was made:** Surely, a decision at the core of the IPL governance should include and involve the franchises? We have made high risk financial investments, and had an important role in allowing the event to achieve its rapid rise. For all of us, the professional management event of the event is critical, and to simply receive an email, notifying us of such a decision, does not afford us the greatest respect?
- **The basis for the decision:** we have not been privy to the decision, we have no communication or idea as to why the decision was made. From what we see, the event management has been globally praised, and surely is one of the differentiators that has so rapidly placed the IPL on a global stage? Even compared to the recent World Cup in England, the IPL in South Africa completely outshined all cricket events in recent history.
- **The clarity of metrics surrounding IMG's evaluation and performance:** If there is to be ongoing evaluation of any major supplier, should the metrics for that evaluation not be more transparent? One would also expect franchises to be asked to input, given that they have been asked to share the financial risk in the setting up of such an event? Further when we decided to take the risk IMG was already an integral part of IPL as it had a 10 year agreement. At least this is what was presented to us that way by the IPL.
- **The absence of a clear plan to replace their services:** The obvious question, with the tournament only months away, is what happens next? Again, the value of our equity in these franchises can be eroded as quickly as it is built? We have recently been described the 'Hottest Sporting League' and we have no intentions of becoming another Stanford or ICL when we have all worked so hard to reach where we have.
- **The reputational (especially internationally) impact to the IPL and the BCCI:** The IPL will only continue to grow and work with the global support of governing bodies, and (critically) players. Much of that trust will be based on the veracity of the contracts that the BCCI and the IPL sign with such bodies. On the basis of the IMG response, some doubt will be raised across the global news wires, which will undoubtedly affect the 'reputation' of the event; What would stop IPL from renegeing our future contracts on the same basis – why do we need franchises in the future. Therefore we are extremely concerned with this decision.

- **The criticality of the event's 'professional management integrity' to the IPL's ongoing appeal, and indeed, perceived value;** The IMG role has encompassed tournament design, rule setting, fixture scheduling and rule clarification. These issues go to the core of 'competition integrity'. If this becomes 'open to challenge', the sporting interest that the IPL generates will quickly wane. This is a risk that we surely cannot take? Further the Governing Council was set up and we were informed that though part of BCCI it will be an independent body entrusted and ensured to run the IPL. From the tone of your letter it would seem that all of a sudden you are unilaterally trying to change that and as such this would have a major material impact on the day to day operations of the League. To which again we have major concerns as that was not what was promised to us.

Gentlemen, we remain committed to the ongoing growth and success of the IPL, but we are left extremely concerned by the speed and magnitude of such a decision. We would urge some reconsideration, and a review of how such decisions get made.

Yours sincerely

Manoj Badale, Chairman and Co-Owner, Rajasthan Royals

Dear Prasanna,

Could you please provide me with some clarity on the following issues:

- 1) Mr Lalit Modi had mentioned in his letter on the 12/08 that 14 cr. was paid out initially to all franchises. However we received the gross amount of Rs 11.6 cr. (see attached) and are seeking a clarification for the difference.
- 2) When would be we received Rs 15 cr. as promised in Mr. Modi's email of 12/08?
- 3) Further, when will we receive our compensation claims as put forward during the Compensation Discussion meeting?
- 4) Season 1 outstanding payments (including pouring rights deal)

I would highly appreciate if you could take out some time for me & will be glad to meet you at your convenience, given that you have a tight schedule, to discuss all these issues.

Many thanks for your time yesterday in giving us the financial clarity and also in being present personally.

Given that we are only 5 months away from IPL, we wanted to meet the newly-constituted GCA as soon as possible, build relationships with them and start operational discussions.

The intended plan of action is

- Set-up a meeting for Ranjit and myself over the next 2-3 weeks with Mr. Narendra Modi and his office bearers
- Work out key relationships
- Start interaction with the office bearers to work out IPL plans and also importantly Hospitality and ticketing plans.

I wanted to check with you for your thoughts or anything that we should consider.

Dear Lalit,

Many thanks for your time yesterday in giving us the financial clarity and also in being present personally.

Given that we are only 5 months away from IPL, we wanted to meet the newly-constituted GCA as soon as possible, build relationships with them and start operational discussions.

The intended plan of action is

- Set-up a meeting for Ranjit and myself over the next 2-3 weeks with Mr. Narendra Modi and his office bearers
- Work out key relationships
- Start interaction with the office bearers to work out IPL plans and also importantly Hospitality and ticketing plans.

I wanted to check with you for your thoughts or anything that we should consider.

Thanks.

Regards
Santanu

Dear Prasanna,

In connection with our 10 yr. forecasts which is prepared to apprise the Board periodically, it is imperative for me to have access to our Central Revenue Income (Sale of Media Rights & Sponsorships)

Would it be possible to get an estimate of the figures going ahead from Years 3 -10, Sale of Media Rights (100%) & Sponsorships (100%)? The IPL share of 20% & 40% I will remove & the variable element of (8% & 6%) depending on the position in the league I will work out.

I believe the Sale of Media Rights is a closed deal, hence the approx. nos. for each year with the 2 new franchises coming if possible please provide.

As regards Sponsorships, a % increase over the years would be helpful. If confirmed figures are there for deals closed, please intimate.

At worst, please provide a total for both categories from years 3 - 10, whichever is possible. Of course, the more detailed the better.

Thanks for your willingness to look into my request.

The minutes look accurate except for one minor clarification. Our view on the salary cap is that 'it should be kept as low as possible, allowing for sufficient funds to attract the world's best players'.

To ensure clarity on our view, I would highlight the following:

- there are very few players in the world who would choose not to play in the IPL, and a guaranteed salary of \$500,000 would suffice for the vast majority (if not all) of the world's superstars;
- the expectations and enormous wage inflation that have been created by previous auctions are a function of auction dynamics rather than a true reflection of player value (although expectations have now been created);
- once the principle of a cap is accepted, the size of the cap will have very little bearing (if any at all) on a team's ability to attract a particular player, so the only beneficiaries of higher caps are the players i.e. increasing the cap from \$6m to \$7m simply results in a transfer of monies from the franchise owners to the players (it has little impact on which player ends up with who - this is more a function of relative values a team places on a particular player);
- if these expectations are not readdressed, the building of 'financially viable' franchise business models will be very difficult;
- all players must be captured by the cap, otherwise 'multiple markets' will be created with parallel and unconnected economics e.g. An 'Indian Under 19 players' market with higher values than the 'main capped players auction' market (we have seen this in the past three years, with the relative pricing of internationals vs. uncapped vs. Indian domestic vs. Indian emerging players);
- Lastly, we emphasised the need for a cap on the number of players to ensure that there is no incentive for a particular team to starve the other teams of 'supply of players';

I would also fully endorse the follow on comments made by Royal Challengers Bangalore in their response to this mail.

Lastly, I just wanted to thank everyone for the 'spirit' in which the owners discussions have taken place - and that more than anything bodes very well for the IPL.

Warm regards

Manoj Badale

Minutes of the Franchise Expansion and Player Regulations Plans Session

Day 2 IPL Workshop Bangkok, 11th November 2009

The Franchises were requested to raise their key concerns for the future of IPL going forward and the following are listed below

In regard to expansion of IPL Teams : these were the views of the Franchisees :

- 1. RCB - we should allow**
- 2. DC - We should allow**
- 3. RR - We should allow**
- 4. DD - We should allow**
- 5. MI - We should allow**
- 6. KxiP - We should allow**
- 7. KKR - We should allow**
- 8. CSK - we should not allow. :**

1. 2010 Player Auction and Caps:

The teams were asked their opinion on the same and they reverted as follows:

Bangalore Royal Challengers – All players to be put in the auction pool with a cap of USD\$ 7 to 9 million.

Delhi Daredevils – All players to be put in the auction with a cap of USD\$ 7 million.

Hyderabad Deccan Chargers - All players to be put in the auction pool with no cap. Post meeting DC has come back saying with Cap.

Kings XI Punjab – All players to be put in the auction pool with a cap of USD\$ 5 million.

Rajasthan Royals – all the players should be put in the auction pool with a cap that is kept low.

Mumbai Indians – Would prefer to retain certain players to their team and have a cap of USD\$ 7 to 8 million. They also requested that domestic players be kept out of the auction.

KKR – have suggested that all players be put in the pool with a reasonable cap. However, they also recommended that with the problem of the FTP interfering with the players being available through the full season, the Indian players should be the only ones that are auctioned.

Chennai Super Kings – Want the option of keeping a few players. If this isn't an option then all the players should go into the auction without of a cap on the spend.

2. It was confirmed that post season 3 in 2010 there would no longer be an ICON Player status.
3. The franchises wanted to know the cap on the number of players in each squad and await a clarification from the IPL GC.
4. KKR recommended with the support of the remaining Franchises that the auction should be post Season 3 and be held after the next season of CLT20 so that the teams that were eligible to play in CLT20 would be same that won the IPL.
5. It was recommended that no Franchise should be allowed a squad of 60 to 70 development/ domestic players if they are kept out of the auction as this would in turn cause a monopoly. All the Franchises were in favour of this except Mumbai.
6. Catchment areas – KXIP recommended that the current catchment areas be protected with Deccan Chargers supporting them. The other Franchises were not in support of the same citing that in the last 2 years of IPL, they have not really developed the same.
7. It was recommended that on the subject of the U19/U20 and U21 players for India, they would illegible for the IPL if they were already a part of or coming through the Ranji system or the national team.

The Franchises requested clarity from the IPL as to why their reimbursements from South Africa which had been promised to them were still not done and the Chairman explained that some Franchises had submitted incorrect and unsubstantiated proof of loss for reparation.

The Franchises, led by Srinivas Bommisdala also informed the IPL GC that they wanted to form a Franchise Association which the Chairman said a collective body of people can do what they want and further to this the Chairman suggested that the Franchises then set up an IPL Foundation to keep spirit of giving alive each year by choosing a fund to donate to from ticket sales.

The session closed at 7pm

Hi Srini

The current situation.

This may change as franchises buy out overseas players between now & the auction:

Monies available for auction :

CS - \$1.85m (re-sign Kapagedera \$150k) - 2 slots

DC - \$1.9m (uncapped Harris \$100k) - 1 slot

DD - \$1.7m (uncapped MacDonald \$100k & Warner \$200k) - 1 slot from buy-out of Asif.

KKR - \$1.575m (re-sign Mendis \$225k & Hodge \$200k) - no slots but we are aware they are planning to buy out 3 players. Their purse will also be reduced by the fee for uncapped Henriques, for whom they need to clear a slot. We are awaiting more on this.

KXIP - \$1.5m (re-sign Marsh \$500k) - 2 slots.

MI - \$1.435m (re-sign Bravo \$465k and uncapped Napier \$100k and uncapped McLaren - still awaiting for his amount which will reduce the amount further) - 1 slots plus the one for replacing Pollock so in total 2 slots.

RR - \$1.9m (re-signed Tanveer \$100k) - 1 slot. Buying out Langer - thus 2 slots.

RC - \$1.945m (uncapped Dillon DuPreez \$55k) - 1 slot from buying out Cherpaul (in progress) plus the one incase we agree for replacing Razzak. You will recall that we allowed the "2008 draft" players to be re-signed without affecting the \$2m. They have re-signed Ross Taylor for \$700k. This should allow you to plan for the auction.

Warm regards

Lalit

Subject: Cancellation of Contract.

Date: Wed, Feb 4, 2009 3:35 pm

Dear Manoj

You had the opportunity to do the same as per our deadline. Therefore your retraction of Quinney's signing is INVALID as you have crossed the date already and we cannot accept the same after you have informed us of the same and told us that his contract is on the way. Therefore his amount will be deducted from your 2 million purse and we will inform you about your purse availability. Also one of your slots will be deducted, due to him being on your roster of 10 players.

In regard to Chennai - it is as per rules and they had informed us in time and thereby Kapagedra became a free agent and as such was on our list of 114 players and also the second list of 43 players.

Look forward to seeing you in Goa.

Warm regards

We are still waiting for cancellation of the Quinney contract – in much the same way as kapugedera seems to have disappeared from the Chennai list.

Can we have an update?

Apologies if Santanu has dealt with Sundar on this....

Manoj Badale,

This is a significant change ???

I am sure you specifically asked Lalit about this - and he said it was on the gain. If this is the case, per Prasanna's logic - had we sold the entire thing, we would have paid \$4.8m

= \$100m - minus loans of \$3.9m = \$96.1m times 5% or \$4.8m

We need to be very clear, because this is the precedent - but not sure how we have this battle with all those copied???

Dear Manoj,

As per the agreement, clause 10.5 specifies that franchisees whose shares are transferred, the franchisee shall deliver a letter from an independent solicitor confirming the event and confirming the total sum paid to the person who transferred the shares. Request you to provide this officially from an independent solicitor. Further, as per clause 10.3 specifies that 5% of the value of sale transfer has to be remitted as fees and not the gain (Profit) as mentioned by you. There is no fee on the new shares issued by you under Clause 10.4

Therefore, the payment of 5% of transfer fee is

Transfer of 303,984 shares at USD\$ 7,791,052

5% of the fees as per Clause 10.3 -- USD \$389,553.

I v I request you to remit this amount to BCCI-IPL (the USD value as on date of transfer of the shares).

If you have any queries, I will be happy to clarify.

With Regards

Prasanna

Prasanna,

Thank you for your time on the phone yesterday.

In terms of details of the transaction that took place earlier this month, the new investor, Kuki Investments Ltd, acquired

a post deal undiluted 11.70% stake in EM Sporting Holdings Ltd (the parent company of the franchise owner, Jaipur IPL Cricket Private Ltd) for consideration of USD\$11.70m, valuing the business at USD\$100m. Of this USD\$11.70m, USD\$7,791,052 was applied to transfer 303,984 shares and USD\$3,908,948 was used to subscribe for 152,516 new shares in EM Sporting Holdings Ltd. Prior to the transaction, there were 3,750,000 shares in issue.

You mentioned that you were not working on the fee payable to the BCCI-IPL however, thought it might be useful to present my view of the calculation:

	USD\$M
Deal valuation of equity	100.00
Base cost of franchise	<u>(67.00)</u>
Gross Gain	33.00
% attributable to Kuki 11.7%	3.861
Fee payable at 5%	\$193,050.00

If you have any questions, please do not hesitate to revert.

Kind Regards

Manoj
